

Dear School Authorities,

Subject: **Invitation for International Olympiads (Finance/Economics and Aptitude) 2022-23**

We are immensely grateful to bring our International Olympiads for students of grade 8th to 12th for your esteemed Institution. The Olympiads are conducted by **International Institute of Financial Markets (IIFM) Ltd.** New Delhi.

International Finance Olympiad (IFO) came to inception 10 years back for Grade 8 to 12. With the growth of IFO, Global Economics Olympiad (GEO) and Global Olympiad on Aptitude (GOA) came into existence in the last 5 years.

Global Economics Olympiad (GEO)

The competition is an attempt to encourage young minds to understand the concepts of economics at a young age to compete at an International level. The students of **Grade 9 to 12** compete to win a **Cash Scholarship of Rs.2,60,000** spread across 3 rounds of competition. We offer a platform for nascent minds to develop an interest in Economics and think beyond their books. We follow **CBSE, ICSE-ISC, IB and IGCSE** curriculum as per the syllabus followed by the school.

One time Registration Fee USD 11/- per student

International Finance Olympiad (IFO)

The International Level competition in the domain of Finance aims to make young learners familiar about the need and art of managing money. It is expected that gradually the adolescents shall inculcate the habit of analyzing finance in their day to day life, shall strive for savings and shall also invest their available resources to multiply their worth so that they have comfortable resources for their future endeavors. We intend to promote the financial literacy for the students by creating relevant content, conducting Olympiads and Quizzes. It is conducted in India and the Middle East Region. The students of **Grade 8 to 12** compete to win a **Cash Scholarship of Rs.3,60,000** in 3 rounds of competition.

One time Registration Fee USD 35/- per student

Global Olympiad on Aptitude (GOA)

Next to intelligence, aptitude is considered to be another important characteristic of an individual which can predict success in a course of study or career. It is asserted that aptitudes are related to vocational success as intelligence is related to success in life in general. GOA will assess students on IQ, Communication Skill and Awareness. The students of **Grade 8 to 12** compete to win a **Cash Scholarship of Rs.1,60,000** in 2 rounds of competition.

One time Registration Fee USD 15/- per student
